

Information Book Notice

July 24, 2020

To: All PPC Employees

It is with heavy heart we say goodbye to Supervisor Seanna Fekete who passed away over the past weekend having lost a long battle with cancer.

Seanna was a part of the Canada Post family since the summer of 2008. During her time with us it was her smile and laughter which made each day better. She cared deeply for everyone she worked with.
She will be dearly missed.
