

AGREEMENT

BETWEEN

THE CANADA POST CORPORATION

AND

THE ASSOCIATION OF POSTAL OFFICIALS

OF CANADA

EXPIRY DATE: MARCH 31, **2025**

RELATIONSHIP STATEMENT

As one of its basic Operating Principles, the Corporation recognizes the importance of the role of the Association and this collective agreement (Agreement) in the overall success of the company.

The Corporation and the Association, in turn, recognize that the purpose of this Agreement is to facilitate and protect the best interests of the Corporation and its employees alike.

To this end, it is necessary that the parties work together in a spirit of mutual trust, respect and cooperation and be committed to ensuring that interpersonal and industrial relations proceed in a manner that ensures both the well-being of all employees and the efficient and economic operation of the Corporation.

To achieve these goals, the parties recognize that:

- 1) Effective communication and sharing of information between the parties should take place at each of the national, regional/divisional and local levels.
- 2) Consultation with the Association, as a key stakeholder, is an important component in the planning and implementation phases of corporate change initiatives pertaining to the Association's members.
- 3) The Association wishes to engage in collaborative and meaningful dialogue in order to add value to the decision-making process while not limiting the Corporation's decision-making authority.
- 4) Resolution of differences between the parties is more effectively accomplished through participative, consultative mechanisms rather than through recourse to the grievance procedure.
- 5) Effective communication between the Corporation, the Association and employees is essential and should be encouraged and assisted.
- 6) The satisfaction and overall well-being of employees is essential and critical to the efficient operation of the Corporation.
- 7) The commercial viability, productivity, efficiency of operations and success of the Corporation is essential to both parties and each employee of the Corporation.

PART II – CONSULTATION

ARTICLE 12

CONSULTATION

- 12.1** The *Corporation* agrees that the *Association* is one of the key participants in both the planning and implementation phases of corporate change initiatives pertaining to *Association* members. The *Corporation* and the *Association*, as a key participant, subscribe to the principle of joint *consultation* and agree to establish joint *consultation* committees to consult on corporate change initiatives pertaining to *Association* members.
- 12.1.1** The principle of *consultation* means to seek information, advice and views from others and does not imply unanimous or majority agreement. To be effective, *consultation* must be genuine and permit the representatives of both parties adequate opportunity to comment and suggest changes.
- 12.1.2** A joint *consultation* committee provides a less constrained, yet official channel of two-way communication between both parties so as to develop a positive climate, conducive to the discussion and where possible, the resolution of problems.
- 12.1.3** Nothing in this Article precludes meeting outside the framework of the joint *consultation* process, to discuss matters of immediate concern.
- 12.2** It is the desire of the parties that joint *consultation* committees discuss matters of mutual interest and submit recommendations to the appropriate level of management. In applying this principle, it is agreed that:
- 12.2.1** no recommendations by the committee, nor commitments by either party, shall be made which would be in conflict with the provisions of this Agreement;
- 12.2.2** committees shall not deal with *grievances* which are in the course of being processed in the *grievance* procedure.
- 12.3** Joint *consultation* committees shall be established as follows:
- 12.3.1** a national committee consisting of the members of the National Executive of the *Association* and national representatives of the *Corporation*. Should either party require additional representatives to address an issue at a meeting, they shall notify the other party beforehand;

- 12.3.2** divisional/regional committees of up to four (4) *Association representatives* and up to an equal number of divisional/regional representatives of the *Corporation*. In the application of this Clause either the *Divisional Vice-President(s)* of the *Association* or his authorized representative shall be in attendance and either the *General Manager, Mail Operations* or his authorized representative shall be in attendance;
- 12.3.3** notwithstanding Sub-Clause 12.3.2 above each *branch* of the *Association* within the *Division/region* will be entitled to one representative;
- 12.3.4** local committees consisting of up to five (5) representatives of the *Association* and up to an equal number of representatives of the *Corporation* in any Post Office or postal area where, in the opinion of the National Committee, such action is deemed advisable.
- 12.4** The parties agree that matters having a local or divisional/regional application should normally be discussed and the discussion finalized at the appropriate level before being referred to the Committee at the next higher level.
- 12.5** *Association/management consultation* committees shall determine their own procedure relative to the conduct of meetings giving due regard to the *Corporation's* policy on *consultation*. The *Corporation* shall endeavor to provide draft copies of minutes of each meeting to all members of the committee, the *Divisional Vice-President* of the *Association* and the *National Office of the Association* within two (2) weeks of the date that the meeting is held.
- 12.6** By mutual agreement of the *Association* and the *Corporation* representatives, additional persons may attend meetings of the national, divisional/regional or local committees.
- 12.7** Where operational requirements permit, the *Corporation* will grant leave without pay to *Association representatives* forming the membership of the national committee in order that they may attend meetings of the national committee.
- 12.7.1** During a period of leave granted in accordance with Clause 12.7, the *Corporation* will grant one (1) day *leave with pay* to each *Divisional Vice-President* for the purpose of national *consultation* with the *Corporation*. Each *Divisional Vice-President* will be granted up to a maximum of three (3) days paid leave per calendar year.

12.8 Where operational requirements permit, the *Corporation* will grant *time off with pay*, up to a maximum of one (1) *shift*, to *Association* representatives forming the membership of a divisional/regional committee or a committee formed in a postal area in order that they may attend meetings of such committees.

12.8.1 Where, because of travel requirements, attendance at such meetings requires *employees* who are *Association representatives* to be absent from their normal place of duty for more than one regularly scheduled *shift*, reasonable travel time shall be allowed with no loss of regular pay.

12.9 Where operational requirements permit, the *Corporation* will grant *time off with pay* to *Association representatives* forming the membership of a local committee in order that they may attend meetings of a local committee when such meetings are held in the *headquarters area* of the *employees* concerned.

12.10 Meetings of a local committee, as in Clause 12.9 above, will be scheduled at a time which will allow an *Association representative* a ten (10) consecutive hour period between the end of his regular *shift* and the commencement of the meeting, or between the end of the meeting and the commencement of his regular *shift*.

12.11 The *Corporation*, when it is not possible to so schedule a meeting of a local committee, will allow the *Association representative* affected sufficient *time off with pay* at the beginning or end of his regular *shift*, as appropriate, in order to meet the requirement specified in Clause 12.10 above.

12.12 Any planned operational change at a local level or divisional/regional level that requires *consultation* with other bargaining units, and which will affect the working conditions of *Association* members, shall be discussed with the affected members and the *Association representative* at the appropriate level prior to *consultation* with other bargaining units. The *Association* shall be advised at the National level of any proposals which will affect the working conditions of *Association* members, prior to national *consultation* with other bargaining units.

12.13 **Local Agreements**

Any signed agreements arising from local *consultation* under the preceding Clauses shall be precisely recorded in the minutes of the meeting and shall govern the relationship between the parties within the jurisdiction for which such agreement has been concluded, subject to the following conditions:

12.13.1 the local agreement shall not contradict this Agreement;

- 12.13.2** the local agreement shall require the written approval of the authorized national official of the *Association* and of an authorized national representative of the *Corporation*. After approval at the National level, the local agreement may be the subject of a *grievance*;
- 12.13.3** Notwithstanding Sub-Clause 12.13.2, when this Agreement specifically provides for local *consultation*, the local agreement arising from such *consultation* will not require written approval of the authorized *National Executive Officer* of the *Association* and of an authorized national representative of the *Corporation* in order to be binding on the parties;
- 12.13.4** the local agreement may at any time be rescinded by either party with a thirty (30) *day* written notification, and either party can ask for *consultation* within that thirty (30) *day* period.
- 12.14** Should an arbitrator determine that the principles of *consultation* as defined in Sub-Clause 12.1.1 have not been met, the arbitrator has the power, among other remedies, where he deems it appropriate, to require the *Corporation* to rescind the disputed decision and restore the situation prevailing prior to the disputed decision or action.

ARTICLE 13

TECHNOLOGICAL, OPERATIONAL AND ORGANIZATIONAL CHANGES

- 13.1** The *Corporation* will consult in a meaningful and constructive manner with the bargaining agent in order to find mutually satisfactory arrangements to minimize the effects on members of the *bargaining unit* of any proposed technological, operational or organizational changes which would affect the size of the work force or working conditions of members of the *bargaining unit* in effect at the date of the signing.
- 13.2** The *Corporation* will advise the *Association* in writing at least one hundred and twenty (120) calendar days in advance of proposed technological and mechanization changes as well as resultant changes in operating methods, and provide the opportunity for *consultation* and discussion.
- 13.3** In this Agreement “*technological change*” means the national introduction or implementation of *technological change*, changes in mechanization, or resultant changes in operating methods that might affect one or more *employees*.

13.4 In the introduction of *technological change*, or resultant changes in operating methods, the *Corporation* will seek ways and means of minimizing adverse effects on regular *employees* which might result from such changes.

13.5 The *Corporation* will provide the following guarantees and job security as provided in Article 44, to regular *employees* who are employed in the *bargaining unit* on the date of signing of this Agreement, who are affected by *technological change* or resultant changes in operating methods.

13.5.1 Guaranteed Employment: The *Corporation* guarantees *continuous employment* to all regular *employees* covered by this Agreement until the signing of the next collective agreement between the parties.

13.5.2 Guaranteed Classification Level: For the period of *continuous employment* guaranteed in Sub-Clause 13.5.1, a regular *employee* shall retain his *classification level* and the corresponding salary, regardless of any reassignment to other duties or, any re-evaluation of the duties performed by the regular *employee* at a lower level.

13.5.3 Guaranteed Pay: To further clarify the intent of this Clause, the *Corporation* guarantees full pay and benefits for normal working hours as defined in this Agreement for the full period of *continuous employment* guaranteed in Sub-Clause 13.5.1 above.

13.5.4 Displacement: When a regular *employee* is transferred permanently from one working place to another, he shall be entitled to a lump sum compensation of two hundred dollars (\$200.00) or four hundred dollars (\$400.00) as the distance between his residence at the time of the transfer and his new working place has increased by three point two one eight six kilometers (3.2186 km) [two miles] or six point four three seven two kilometers (6.4372 km) [four miles] respectively.

13.6 The *Corporation* will advise the *Divisional Vice-President* of the *Association* in writing at least forty-five (45) calendar days in advance of operational and organizational changes affecting his specific geographical area and also provide the opportunity for *consultation* and discussion. A copy of the notice will be provided to the *National Office of the Association*.

13.6.1 Notwithstanding the above, in the case of operational and organizational changes initiated at the National level of the

Corporation, the notification referred to in Clause 13.6 shall be given solely to the *National Office of the Association*.

- 13.7** In the application of Clauses 13.2 and 13.6 above, the *Corporation* will make every effort to supply the *Association* with all relevant information such as locations, approximate dates, and approximate numbers and functions of *employees* likely to be affected.

PART III – DISPUTE RESOLUTION

ARTICLE 14

DISCIPLINE

- 14.1** The *Corporation* must advise an *employee*, twenty-four (24) hours in advance of a disciplinary interview or disciplinary counseling session and indicate the purpose of the meeting, including whether it involves the *employee's* personal file. The *Corporation* shall advise the *branch* of the *Association*, and should also advise the *Divisional Vice-President*, twenty-four (24) hours in advance of a disciplinary interview or disciplinary counseling session by way of electronic transmission. The *Divisional Vice-President* may request in writing an extension of the twenty-four (24) hours in advance of a disciplinary interview or disciplinary counseling session. If the above twenty-four (24) hours is extended by mutual agreement, the time line in Clause 14.3 will also be extended.

The *Corporation* must remind the *employee* of his right to have an *Association representative* accompany him. If the *employee* fails to appear for the interview, or does not explain his inability to do so, the *Corporation* and the *Association representative* may proceed with the hearing.

- 14.2** In normal circumstances, interviews with *employees* should take place prior to disciplinary reports, letters or documents being placed on an *employee's* file. The *Corporation* should advise the *Divisional Vice-President* when proceeding without having an interview, prior to placing disciplinary reports, letter or documents on an *employee's* file.

- 14.3** There must be only one personal file for each *employee*. No disciplinary report or document relating to an *employee's* conduct or performance shall be placed on that file or constitute a part thereof unless a copy of the said report or document is given to the *employee* within ten (10) *days* after the date of the alleged infraction or of its coming to the attention of the *Corporation*. No report or document relating to an *employee's* conduct or performance may be used against him in the *grievance* procedure or at arbitration unless such a report or document is part of the *employee's* personal file. The *Corporation* must not introduce at any hearing any report or document from the file of the *employee* of which the *employee* was not aware at the time of filing. The final decision of the *Corporation* with respect to the incident will be made within the ten (10) *day* period referred to above. If a disciplinary report or document relating to an *employee's* conduct or performance is placed on the

In the case of a letter of reprimand, the principle of progressive discipline shall apply and the *Corporation* shall indicate in the letter what will be the next step in the progression of discipline, if any.
- 14.7** Nothing in this Article prohibits the *Corporation*, in instances of major culpable misconduct, from discharging an *employee* without the *employee* having first received letter(s) of reprimand or a suspension with pay.
- 14.8** Furthermore, the *Corporation* retains the right to remove an *employee* from work with pay while conducting an investigation for any offence. In such a case, the *Association* will be informed that the *Corporation* has taken such action, and notwithstanding the provisions of Clause 14.3, the *Corporation* must make its final decision within fifteen (15) *days* after the date of the alleged infraction or of its coming to the attention of the *Corporation*.
- 14.9** The rights and principles in Clauses 14.1 and 14.2 shall be applied to an interview between an *employee* and a Postal Inspector. In circumstances where Postal Inspectors are investigating alleged criminal offenses against the *Corporation* and possible evidence can be destroyed, the notice period in Clause 14.1 will be waived. However, the *Corporation* will permit an *Association representative* to accompany the arrested or detained *employee* in any interrogation by Postal Inspectors that may take place in order to ensure that the *employee* is treated fairly, and that no undue influence or *harassment* is practiced. The *Association representative* shall not impede the progress of the interrogation. Furthermore an *employee's* resignation will not be accepted until the *Association representative* is advised.

- 14.10 In the case of discharge and discipline the burden of proof of just cause shall rest with the *Corporation*. Evidence shall be limited to the grounds stated in the discharge or disciplinary notice to the *employee*.

 - 17.6.2** is occasioned by the application of another provision of this Agreement, other than Clause 43.52;
 - 17.6.3** involves an *employee* acting as a replacement where such replacement function is an integral part of that *employee's* duties. In such cases, under normal circumstances, there should be a minimum of eight (8) hours between *shift* assignments;
 - 17.6.4** involves the assignment of a *relief supervisor* on a regular *shift* or a *section*. This will be the subject of local *consultation*.

17.7 Where an unbroken series of regularly scheduled hours worked by an *employee* commencing at or after 21:00 hours falls on two (2) consecutive days, all hours will be deemed to have been worked on the following day. Where such a series of regularly scheduled hours commences before 21:00 hours, all hours will be deemed to have been worked on the day on which the series commenced.

17.8 Nothing in this Article shall be construed as guaranteeing an *employee* minimum or maximum hours of work.

17.9 **Part-Time Employees**

The normal regular scheduled hours of work of a part-time *employee* shall normally be at least sixteen (16) hours per week and shall not exceed an average of thirty (30) hours per week over a *fiscal year*.

17.9.1 Any extension of the regular scheduled hours of work of a part-time *employee* shall be by *seniority* on a voluntary basis.

17.9.2 In the application of Sub-Clause 17.9.1 any extension of hours shall first be offered to the part-time *employee* who normally performs the work on which the extension of hours is required.

17.9.3 Part-time *employees* shall be entitled to two (2) scheduled *days of rest* weekly.

17.10 Part-time *employees* working for a continuous period of five (5) hours or less shall be entitled to a paid rest period of fifteen (15) minutes taken during regular working hours.

17.11 Where part-time *employees* are required to work for a continuous period of more than five (5) hours and less than eight (8) hours:

17.11.1 they shall be entitled to a paid rest period of fifteen (15) minutes taken during regular working hours;

17.11.2 they shall be entitled to take a meal period of not less than one-half ($\frac{1}{2}$) hour's duration, fifteen (15) minutes of which shall be taken during regular working hours;

17.11.3 where they are required to work for a continuous period of seven (7) hours or more, they shall be entitled to a second paid rest period of fifteen (15) minutes taken during regular working hours.

17.12 Where part-time *employees* are required to work for a continuous period of eight (8) hours, inclusive of a one-half ($\frac{1}{2}$) hour paid lunch period, they shall be entitled to the benefits provided for in Clauses 17.1, 17.2 and 17.3.

17.13 The extension of hours of a part-time *employee* either before and/or after his assigned hours does not constitute a change in *shift* hours as referred to in Clause 17.6.

17.14 On written request, the *Corporation* shall furnish the *branch* of the *Association* with a statement of all part-time hours worked by position on a monthly basis.

17.15 Where the hours of work for a part-time *employee*, excluding time spent on training or projects, exceed an average of thirty (30) hours a week over a *fiscal year*, the part-time position shall be converted to a full-time position after a review of the circumstances by the parties.

17.16 **Flexible Hours**

Notwithstanding anything to the contrary in this Agreement, an *employee* may be granted flexible hours provided such arrangement is consistent with the administration or operational requirements of the *section* in which the *employee* works, results in no increased cost to the *Corporation* and is mutually agreed to by the *employee* and his supervisor.

17.16.1 However, where flexible hours of work are required by the *Corporation* but its implementation is not resolved to the satisfaction of the *Corporation* and the *employee*, the matter will be referred to and resolved through meaningful *consultation* at the national level.

17.16.2 Notwithstanding the above, the parties recognize that the practices governing flexible hours of work in effect prior to the signing of this Agreement shall continue, unless modified by the operation of Appendix F.

17.17 **Days of Rest on Night Shift**

Days of rest on night *shift* shall be consecutive. In exceptional circumstances, where operational requirements do not permit consecutive *days of rest*, the *rotation day schedules* shall be subject to local *consultation*.

ARTICLE 18

- 18.2** Subject to the provisions of this Article, an *employee* is entitled to be paid for services rendered at the rate specified for his *classification level* in Appendix "A".
- 18.3** The rates of pay in Appendix "A" shall apply to each *employee* on strength as of the date of the signing of this Agreement.
- 18.4** The rates of pay in Appendix "A" shall also apply to an *employee* on strength on April 1, 2009, who, between April 1, 2009, and the date of signing of this Agreement, retired, or was laid off or died.

- 18.6** The retroactive pay entitlements shall be paid within ninety (90) *days* of the signing of this Agreement and shall be considered as remuneration for the purpose of the Canada Post Corporation Pension Plan.
- 18.7** Where an *employee* dies, his rate of pay immediately prior to death shall accrue up to the end of the month in which the death occurs. The salary so accrued, if not paid to the *employee* as of the date of his death, shall be paid to his estate.
- 18.8** Where an *employee* is promoted, he shall receive a minimum increase of five percent (5%) of his former rate subject to the maximum rate of the new *classification level*.
- 18.8.1** The *Corporation* has the discretion to pay a newly hired *employee* at any rate within the salary range for his *classification level*.
- 18.9** **Rate of Pay on Demotion**
- Where an *employee* is demoted, he shall be paid a lower rate of pay to be determined by the *Corporation* within the salary range of his new *classification level*.
- 18.10** **Rate of Pay on Voluntary Reversion**
- Where an *employee* reverts voluntarily, he shall be paid his current rate if it is within the new salary range. Where his current rate is greater than the maximum in the new *classification level*, he shall be paid at the maximum of the new *classification level*.

18.11 Pay Progression

Except for an *employee* to whom Sub-Clauses 18.11.3, 18.11.4 or Clause 44.23 apply, an *employee* shall be granted pay progressions until such time as he reaches the maximum of his *classification level*.

18.11.1 The pay progression shall be a two percent (2%) increase in his rate of pay.

18.11.2 The pay progression date for all *employees* is the first (1st) day in July of each year, except for those *employees* who are initially appointed or promoted between April 1 and June 30 inclusive, of each year. The pay progression date for those *employees* will be the first (1st) day in July of the following year.

18.11.3 Subject to Sub-Clause 18.11.4 below, the *Corporation* may withhold a pay progression from an *employee* if, in its opinion, the *employee* is performing the duties of his position in a manner that "Did not meet expectations".

18.11.4 The *Corporation* shall, at least two (2) months prior to the due date of the pay progression to the *employee*, give the *employee* notice in writing of its intention to withhold a pay progression from him.

18.11.5 The *Corporation* shall, at its discretion, grant a pay progression amount in excess of the normal amount, if in its opinion, the *employee* is performing the duties of the position in a manner that is equal to or more than "Exceeded expectations".

18.11.6 If an *employee's* pay progression date coincides with a salary revision date, the pay progression shall be applied first, and the revision shall be based on that new rate.

18.12 Acting Pay

Where an *employee* is promoted to the position for which he is receiving acting pay or to one which, in the opinion of the *Corporation*, corresponds to the duties and responsibilities of the position for which he is receiving acting pay:

18.12.1 the date he commenced acting shall be used to determine when he shall receive his next pay progression in accordance with Sub-Clause 18.11.2; and

18.12.2 if the *employee* should have received a pay progression(s) at his substantive level while acting, that pay progression(s) will be used to determine his rate of pay upon *promotion*.

18.13 An *employee* who returns to his former *classification level* upon termination of an acting assignment shall be paid as if he had remained in that level.

18.14 When due to operational requirements an *employee* is temporarily assigned to a position paying a lower rate, his rate of pay shall not be reduced.

18.15 **Overpayment**

When an *employee*, through no fault of his own, has been overpaid, the paying office will take the following steps before recovery action is implemented:

- a) advise the *employee* of the intention to recover the overpayment;
- b) provide the *employee* with the reason for the overpayment;
- c) where the amount of the overpayment is in excess of fifty dollars (\$50.00), recovery action shall be limited to ten percent (10%) of the *employee's* pay each pay period until the entire amount is recovered unless the *employee* indicates that they would prefer to repay the amount owed at a greater percentage.

Notwithstanding the foregoing, in the event employment ceases, any outstanding amounts may be recovered from final pay.

18.18 The allowance will be paid on a cumulative basis of one (1) cent per hour for each full zero point zero eight (0.08) of a point increase above the adjusted Consumer Price Index.

18.19 The allowance will be evaluated on a yearly basis.

18.19.1 The first payment for the period April 1, 2021 to March 31, 2022 shall become effective when the C.P.I. reaches that index number which is the index published for March 2021 increased by the adjustment factor of six percent (6%). For the first payment the index published at the end of a quarter shall be compared with the adjusted index (that is the March 2021 Index increased by an adjustment factor of six percent (6%)) and the payment will be effective from the first of the month for which the published index exceeds the adjusted Index and paid in accordance with Clause 18.18 above.

18.19.2 The first payment for the period April 1, 2022 to March 31, 2023 shall become effective when the C.P.I. reaches that index number which is the index published for March 2022 increased by the adjustment factor of six percent (6%). - 18.19.4** The first payment for the period April 1, 2024 to March 31, 2025 shall become effective when the C.P.I. reaches that index number which is the index published for March 2024 increased by the adjustment factor of six percent (6%). For the first payment the index published at the end of a quarter shall be compared with the adjusted index (that is the March 2024 Index increased by an adjustment factor of six percent (6%)) and the payment will be effective from the first of the month for which the published index exceeds the adjusted Index and paid in accordance with Clause 18.18 above.
- 18.20** For the remaining payment(s) the index published at the end of a quarter will be compared with the index published at the end of the previous quarter and paid in accordance with Clause 18.18 above. The final payment will be made for the period up to and including March 31, 2025.

ARTICLE 19

OVERTIME

19.1 “*Overtime*” means work performed by an *employee* in excess of eight (8) hours per day on a scheduled work day and shall be paid for at one and one-half (1½) times his straight time hourly rate of pay and at the rate of double (2) time from the third hour of *overtime* performed on the same day for each completed period of fifteen (15) minutes of *overtime* worked by him.

19.1.1 For part-time *employees*, *overtime* shall be paid at the rates provided for in Clause 19.1 above for all hours worked in excess of eight (8) hours per day or forty (40) hours per week, except as provided for in Article 20.

19.2 An *employee* required to work more than two (2) hours of *overtime* shall be reimbursed for the cost of a meal in the amount of six dollars and twenty-five cents (\$6.25). Upon completion of three (3) hours of *overtime* a period of one-half (½) hour shall be allowed the *employee* in order that he may take a paid meal break either at or adjacent to his place of work.

19.3 Where the *Corporation* requires *employees* to work *overtime* it shall, subject to operational requirements, make every reasonable effort to avoid excessive hours of *overtime* and to allocate opportunities to work *overtime* by *seniority* on an equitable basis among readily available, qualified *employees*.

19.4 An *employee* should be notified as far in advance as possible of upcoming *overtime* requirements.

19.5 **Posting of Lists**

For the purpose of equalizing *opportunity* to perform required *overtime* work, the *Corporation* shall post and maintain lists of *employees* in order of *seniority*, applicable to each postal installation. Such lists shall indicate the *overtime opportunities* offered each *employee*. Where agreed upon locally such lists will not be required, and in such an event, Clause 19.14 shall have no application. Agreement to not employ lists must be in writing.

19.6 **Eligibility**

Where less than a full complement of *employees* is required to work *overtime*, an available *employee* will be given *equal opportunity* to perform the *overtime* work in accordance with the list on which his name appears.

19.7 Equal Opportunity

Equal opportunity for *overtime* work shall mean that once an appropriate list is established, *overtime* assignments will be offered to available *employees* on the list who have had a fewer number of *overtime opportunities* until sufficient *employees* have been obtained to fulfill the requirements. When there is more than one *employee* who has had a fewer number of *overtime opportunities* (as mentioned above), *overtime* assignments will be offered to such *employees* in the descending order of the appropriate list. *Equal opportunity* entails no obligation on the part of the *Corporation* for equal distribution of *overtime* hours worked.

19.8 Order of Priority

In the application of Clause 19.7, *overtime* work when required will be offered first, to available full-time *employees* on duty who normally perform the work on which *overtime* is required.

19.8.1 In offices where *equal opportunity lists* are used, in order for an *employee* to be considered as available, he must indicate his name in writing on or before the completion of the lunch period, that he is available for *overtime* that day.

19.8.2 In the event sufficient full-time *employees* are not available, *overtime* shall be offered to qualified part-time *employees* on duty before the *Corporation* assigns full-time *employees* in the ascending order of the appropriate list.

19.8.3 If sufficient *employees* are still not available *overtime* will then be offered to full-time *employees* scheduled to work the next regular *shift* following the *shift* when the *overtime* is required.

19.8.4 In the event that the *Corporation* is unable to obtain sufficient *employees* to work *overtime* by following the system of *equal opportunity* in descending order, then the *Corporation* shall, in accordance with the system of *equal opportunity*, assign the required number of *employees* to work *overtime* in an ascending order from the appropriate list. Where standards of service and plant capacity permit, the *Corporation* will take reasonable measures to ensure that assignments to work *overtime* in ascending order of the appropriate list will be minimized.

19.9 Modification of Lists

When, because of transfer, acting promotion, *promotion* or the hiring of an additional *employee*, the name of the *employee* should be added to the appropriate list, the following will apply:

19.9.1 his name shall be placed on the list according to his *seniority*; and

19.9.2 he shall be deemed to have had the same number of *overtime opportunities* as the *employee* on the appropriate list with the most *overtime opportunities*.

19.10 **Opportunity**

An *employee* on the appropriate list when *overtime* is offered shall be deemed to have had an *opportunity* to work *overtime* where the *employee* accepts, where the *employee* refuses, where the *employee* is absent on leave, **or** where the *employee* is on a temporary assignment or appointment.

19.10.1 An *overtime opportunity* is any unbroken period of *overtime*.

19.11 **No Loss of Opportunity**

An *employee* on the appropriate list at the time the *overtime* is worked will not be considered as having had an *opportunity* to work *overtime* where an *employee* has been assigned *overtime* in an ascending order on a list in accordance with Sub-Clause 19.8.4.

19.12 **Alternative Arrangements**

Where the system of allocating *overtime* cannot be adapted to local conditions and alternative arrangements must be made, such arrangements must conform to the principle of *equal opportunity*, and be committed to writing.

19.13 **Administration**

The administrative details relative to the implementation of these Clauses, including the method of compilation of lists and the manner in which *employees* advise of their availability and are notified of *overtime* shall be established following meaningful *consultation* at the Local level and shall be committed to writing.

19.14 **Bypass of Opportunity**

19.14.1 Where an *equal opportunity* bypass has been substantiated, the bypassed *employee* will be given an amount of work and be paid at the *overtime* rate equal to the missed *opportunity*. The *Corporation* agrees to give work to the bypassed *employee* that would not otherwise be offered to another *employee* as *equal opportunity overtime*.

The *employee's* immediate supervisor will assign such work within twenty (20) working days. The work will be performed, within the twenty (20) working days, at a time acceptable to the bypassed *employee* and his immediate supervisor. The *employee* then shall be deemed to have had an *overtime opportunity*.

The *employee* shall not unreasonably refuse the work assignment. If the *employee* unreasonably refuses a work assignment, he or she shall be deemed to have had an *overtime opportunity*, and will not be entitled to further relief.

19.14.2 In the event no work is assigned within the twenty (20) working day period specified above, the bypassed *employee* will be paid for an amount of time equivalent to the missed *opportunity*, at the *overtime* rate the *employee* would have been paid had he or she worked the missed *opportunity*. In such a case the *employee* shall be deemed to have had an *overtime opportunity*.

19.15 **Itemized Statement**

The payment for *overtime* will be accompanied by an itemized statement.

19.16 **Availability for Overtime on Rest Days and/or Designated Paid Holidays**

To be considered as available for *overtime* on an *employee's day(s) of rest* and/or a designated paid holiday(s), an *employee* must indicate in writing, on or before the completion of the lunch period on the day prior to his scheduled *day(s) of rest* or designated paid holiday(s), that he would be available for *overtime* if required.

19.17 **Compensatory Leave**

Subject to operational requirements and when requested beforehand by an *employee*, *overtime*, calculated in accordance with Clause 19.1, may be compensated in compensatory *leave with pay*.

Compensatory leave not used by the end of the *vacation year* in which it was earned, will be carried forward to the next *vacation year*, unless the *employee* requests that it be paid out in cash.

19.17.1 Compensatory leave will be granted at the written request of the *employee* provided service standards are maintained and no *overtime* payments result from granting such time off. Once the *Corporation* has approved the leave, it shall not be withdrawn within a five (5) *day* period preceding the commencement of the

compensatory leave. This does not preclude the granting of such leave within the five (5) *days'* notice subject to operational requirements.

- 19.17.2** The request for compensatory leave will be acted upon as soon as possible and the granting of such leave will not be unreasonably withheld. If the requesting *employee* has not received notice that the leave has been approved within the five (5) *day* limit, it will be deemed as having been approved.
- 19.17.3** Compensatory leave not granted in a *vacation year* may be carried over to the next *vacation year*, and every effort will be made by the *Corporation* and the *employee* to liquidate compensatory leave by the end of that *vacation year*.
- 19.17.4** In the event that it has not been liquidated by the end of that *vacation year*, it will be paid for in cash at the rate of pay in effect on March 31 of the *vacation year* in which the compensatory leave was earned.

ARTICLE 20

WORK ON A DAY OF REST

- 20.1** An *employee* shall be paid at two (2) times his straight-time hourly rate of pay for all hours worked on a *day of rest*.
- 20.2** Where an *employee* is required to report to work on a *day of rest*, he shall be guaranteed either a minimum of three (3) hours of work or a minimum of three (3) hours of pay in lieu of work at two (2) times his straight-time hourly rate of pay, subject to his willingness to perform any supervisory work available.
- 20.3** When requested beforehand by an *employee*, work on a *day of rest*, calculated in accordance with Clause 20.1 or 20.2, may be compensated for in compensatory *leave with pay* in accordance with Clause 19.17.
- 20.4** Where *employees* are required to work on a *day of rest*, the principles contained in Article 19 will apply.
- 20.5** When an *employee* is required to work on a *day of rest*, he shall be entitled to rest periods, meal periods, and, where applicable, meal allowance, to which he would normally be entitled on a regular scheduled day of work.

- 20.6** The *Corporation* shall maintain a separate list from the *overtime* list referenced in Clause 19.5, for work on a *day of rest* and designated paid holidays. For greater certainty, there shall be a single list for work on a *day of rest* and designated paid holidays.

ARTICLE 21

CALL-BACK PAY

- 21.1** Where an *employee* is recalled to work on a regular work day after having completed his scheduled hours of work for that day and having left the *Corporation's* premises, he shall be guaranteed either a minimum of three (3) hours of work or a minimum of three (3) hours of pay in lieu of work, at the applicable *overtime* rate, subject to his willingness to perform any supervisory work available.
- 21.2** Where an *employee* is recalled to work under the conditions described in Clause 21.1 and is required to use transportation services other than normal public transportation services, he shall be reimbursed for reasonable expenses incurred as follows:
- 21.2.1** an allowance at the rate normally paid to an *employee* when authorized by the *Corporation* to use his automobile when the *employee* travels by means of his own automobile; or
 - 21.2.2** out-of-pocket expenses for other means of commercial transportation.
- 21.3** Time spent by the *employee* reporting to work or returning to his residence shall not constitute time worked.
- 21.4** When requested beforehand and by an *employee*, work on call-back, calculated in accordance with Clause 21.1, may be compensated for in compensatory *leave with pay* in accordance with Clause 19.17.
- 21.5** Insofar as possible, work assignments covered by this Article shall be in accordance with the principle of *equal opportunity* as provided in Article 19.

ARTICLE 22

- 22.3** Notwithstanding Clauses 22.1 and 22.2 above, where *employees* are paid a *shift* differential for the majority of hours of a regularly scheduled *shift*, they shall be paid this *shift* differential for all hours worked during the *shift*.

ARTICLE 23

WEEKEND PREMIUM

- 24.2** *Overtime*, *shift* differential and weekend premium shall under normal circumstances be paid in the pay period following the pay period in which the premium was earned.

ARTICLE 25

SEVERANCE PAY

- 25.1** Subject to the Clauses listed below, no *employee* shall be entitled to earn or receive severance pay after September 30, 2005.

- 25.2** *Regular employees* employed on the date of signing of this collective agreement shall be entitled to receive severance pay in an amount equal to one week of regular salary (“regular weekly salary”) for each complete year of *continuous employment* up to September 30, 2005, to a maximum of twenty-eight (28) weeks. If an eligible *employee* has not completed a full year of *continuous employment* on September 30, 2005, the amount payable for the partial year of *continuous employment* shall be pro-rated.
- 25.3** The regular weekly salary referred to in this Article shall be the regular weekly salary for the *employee’s* substantive position as found in Appendix “A”. The regular weekly salary excludes overtime, extended hours, acting, premium, bonus, incentive and any other form of pay or compensation.
- 25.4** Payment to a *regular employee* who is part-time, or whose *continuous employment* includes full-time, part-time, temporary and/or casual employment, will be calculated by reducing his years of part-time, temporary and/or casual *continuous employment* pro rata to the difference between the scheduled weekly hours for his part-time, temporary and/or casual position and the scheduled weekly hours for a full-time position (i.e. 40 hours). 43.37.4 within the *employee's zone*;

43.37.5 within the *employee's Division*;

Those *employees* who are on the *SL priority list* pursuant to Sub-Clauses 43.3.1, 43.3.4, and 43.3.6 will move at their own expense.

Once the *SL priority list* has been reviewed, and a vacancy still remains, it shall be filled in accordance with the principles of competency based interviewing. This is an approach that targets all elements of the Job Competency Profile.

43.38 **Step Four – Selection Process by Competency Based Interview**

Vacant SL2 positions shall be advertised on the *Corporation's* online tool. Candidates for selection shall be identified through the *Corporation's* online application tool.

43.39 **Criteria for Consideration for the Qualifying Process**

In order for *employees* to be considered for an SL2 vacancy, the following criteria must be met:

- 43.39.1 they must be non-probationary;
- 43.39.2 their most current complete annual performance appraisal must be equal to or more than "*Met most expectations*";
- 43.39.3 they must have occupied their present position or performed the same or substantially similar work in their present *office* for at least two (2) years, unless this time frame is waived by the *Corporation*;
- 43.39.4 those *employees* being considered for an SL2 position must meet the *minimum requirements* of the position.

Those *employees* who meet the above criteria will be interviewed in accordance with the competency based interviewing methodology.

43.40 **Offer of Position**

The *Corporation* will offer the position to the most qualified candidate who has met the mandatory requirements of the position as identified in the Job Competency Profile, in the following order of priority:

- 43.40.1 *employees* within the same *office*;
- 43.40.2 *employees* within the same *zone*;
- 43.40.3 *employees* within the same *Division*;

43.41 **Seniority**

Where two (2) or more candidates are equally qualified, *seniority* shall prevail.

43.42 **SL3, 4, 5 and 6 POSITIONS**

Once the *Corporation* has determined that a vacant SL3, 4, 5 or 6 position will be filled on an indeterminate basis, it shall be filled in the manner and order as set out in Steps 1 to 4.

43.43 **Criteria for Steps 1 and 2**

In order for *employees* holding SL3, 4, 5 or 6 positions to be eligible to fill an SL 3, 4, 5 or 6 vacancy, in accordance with Steps 1 and 2 below and for the *Corporation* to offer the position to the most qualified *employee* holding an SL3, 4, 5 or 6 the following criteria must be met:

- 43.43.2 they must possess the operational knowledge required to perform all the duties of the position;
- 43.43.3 they must have recent experience doing the same or substantially similar work;
- 43.43.4 their last two (2) available annual performance appraisals must be equal to or more than "*Met most expectations*";
- 43.43.5 they must have occupied their present position for at least two (2) years, unless the reason that the two (2) years have not been completed is because the *employee* was declared surplus. This time frame may be waived by the *Corporation*;
- 43.43.6 they must meet the *minimum requirements* of the position.

43.44 Step One – Expression of Interest

The *Corporation* will offer the position to the most qualified *employee* holding an SL3, 4, 5 or 6 position who meets the above criteria (Clause 43.43) within the same *office* who have expressed an interest in writing (to the *Corporation's* representative) in moving within their *office*. Such expression of interest will remain valid for a period of six (6) months.

43.44.1 Resultant Vacancy

Clause 43.44 will not apply to a vacancy that results from the application of Clause 43.44. The staffing process for such a vacancy shall start at Step two.

43.45 Step Two – SL Priority List

The *Corporation* will offer the position to the most qualified *employee* holding an SL3, 4, 5 or 6 position described in Sub-Clause 43.3.

The *SL priority list* as defined in Clause 43.3 will be consulted and *employees* will be offered the vacant position in the following geographic priority:

- 43.45.1 within the *employee's office*;
- 43.45.2 within the *employee's zone*;
- 43.45.3 within the *employee's division*;

43.46 **Step Three – Selection Process by Competency Based Interview**

Candidates for selection will be identified through the *Corporation's* online application tool and must meet the *minimum requirements* of the position in order to be interviewed.

The *Corporation* will offer the position to the most qualified candidate who meets the language requirements of the vacant position.

43.47 **Step Four – Other Means**

If no candidates qualify, the *Corporation* may fill the vacant position by other means.

43.48 **Probation**

Any individual initially appointed to a permanent position within the *bargaining unit* shall be on probation for a period of six (6) months during which he performs his duties.

43.48.1 An appraisal report shall be completed on each monthly anniversary date of employment during an *employee's* probationary period. The *employee* shall sign the report and may comment on it. A copy will be provided to the *employee* on request.

43.48.2 A temporary *employee* appointed to a position in the *bargaining unit* shall be on probation for the first six (6) months of *continuous employment*.

43.48.3 In the calculation of any probationary period, previous temporary employment will not be included.

43.48.4 Notwithstanding Sub-Clause 43.48.3 above, if a temporary appointment becomes permanent and the temporary *employee* becomes the incumbent without any interruption, his probationary period shall be reduced by the time already spent filling the position as a temporary *employee*.

RE-EVALUATION OF POSITIONS

43.49 **Re-evaluation: Lower Level**

In re-evaluation of a position to a lower *classification level*, the provisions in Article 44 will apply.

43.50 **Re-evaluation: Higher Level – One *Employee***

In re-evaluation of a position to a higher *classification level*, and if there is only one *employee* performing the duties of the position:

- 43.50.1 where there is no significant change in duties, the incumbent will be appointed to the re-evaluated position;
- 43.50.2 where there are significant changes in the duties and the incumbent is deemed qualified, he will be appointed to the re-evaluated position;
- 43.50.3 where there are significant changes in the duties and the incumbent is considered unqualified, he shall be granted a period of up to six (6) months familiarization and/or training in order to qualify. The period may be extended at the *Corporation's* discretion;
- 43.50.4 where the incumbent is still considered unqualified after this familiarization and/or training period he will be declared surplus to requirements and will be subject to Article 44 if entitled;

43.51 **Re-evaluation: Higher Level - Several *Employees***

In the re-evaluation of a position to a higher *classification level*, where there are several *employees* performing similar duties, the re-evaluated position will be open for competition, but the area of competition will be restricted to the *employees* directly affected to ensure that no surplus situation results.

43.52 **TEMPORARY APPOINTMENTS**

In the application of this Clause, the *Corporation* agrees that there will be no artificial breaks in service to circumvent appointments extending beyond four (4) weeks and six (6) months respectively as stated in Sub-Clauses 43.52.1 and 43.52.2 below.

- 43.52.1 Where it is necessary to fill an OP1, SL1 or SL2 position on a temporary basis for four (4) weeks or less, it will be staffed on a discretionary basis;
- 43.52.2 Where it is necessary to fill an OP1, SL1 or SL2 position on a temporary basis for more than four (4) weeks, but less than six (6) months, it will be staffed by a qualified individual in the normal area of competition in the following order:
 - 43.52.2.1 *OP priority list* for OP position or *SL Priority list* for SL positions;

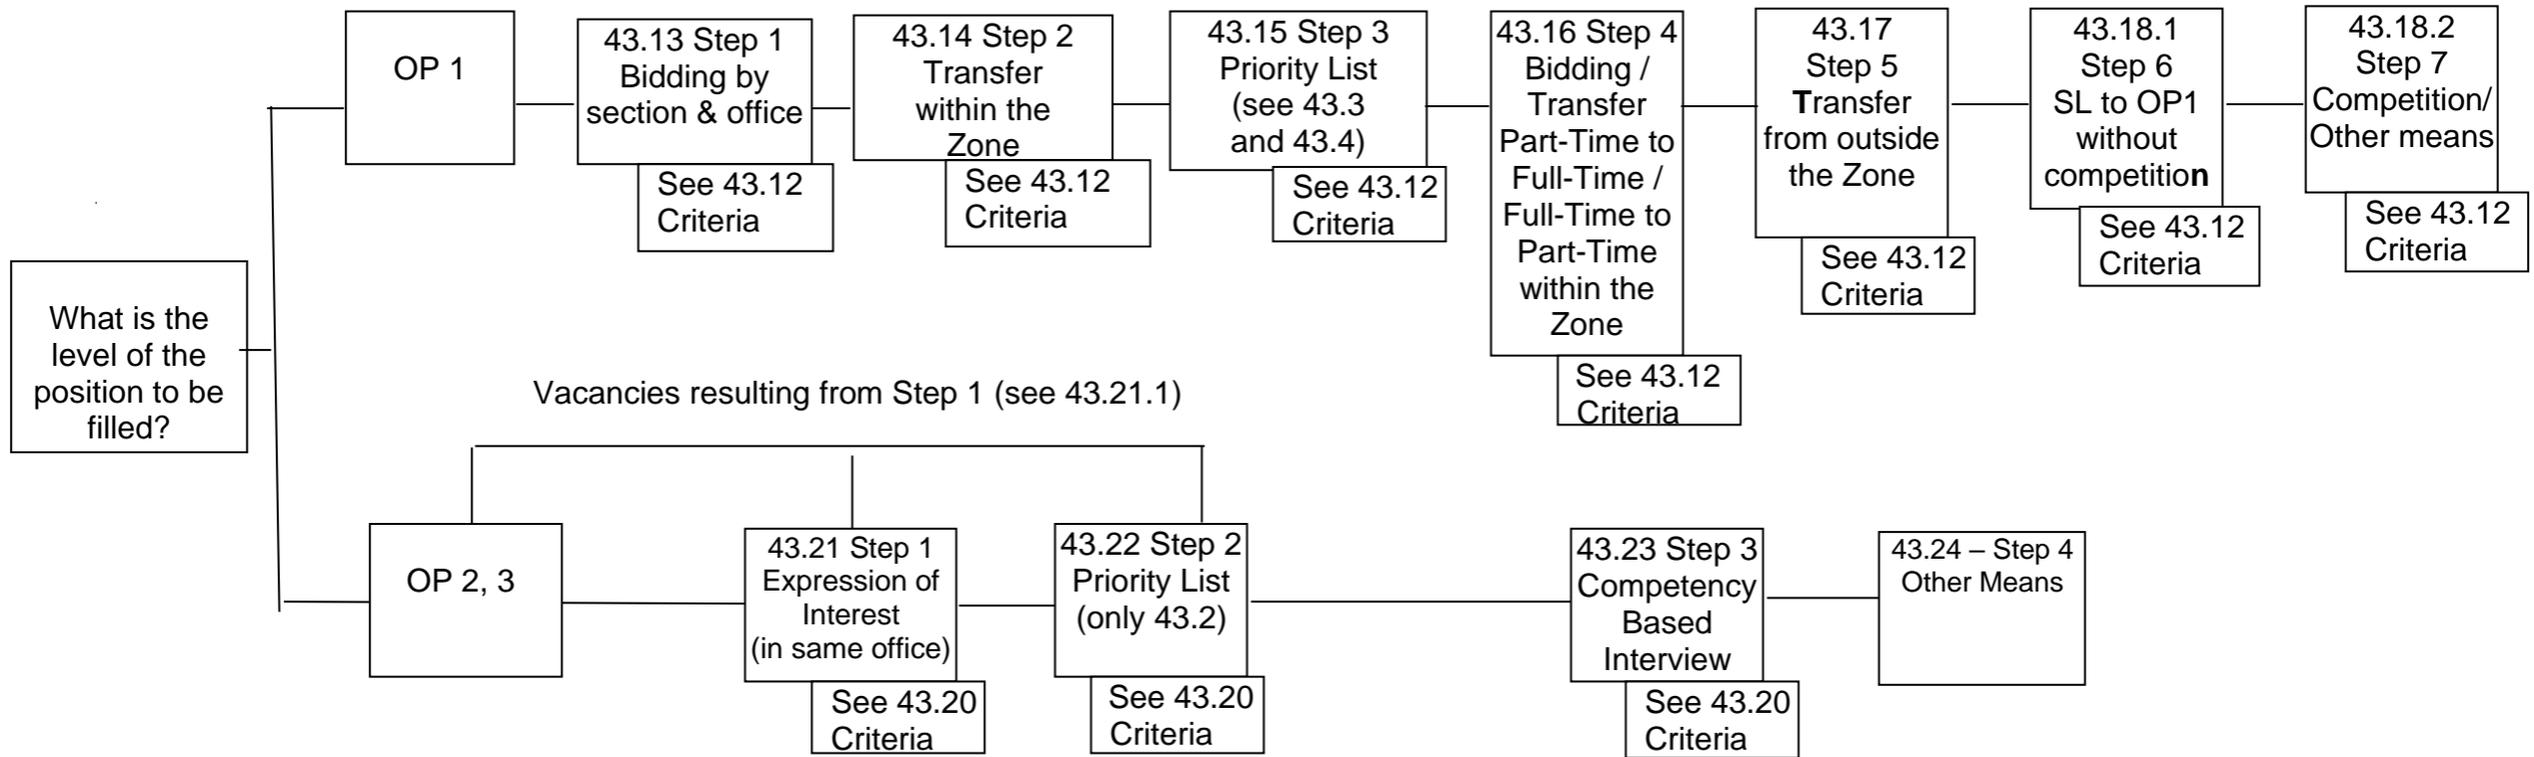

43.53.1 Management has the right to require the incumbent of an identified bilingual position to take language training pursuant to Article 46, if he does not meet the language requirements. An incumbent failing to become bilingual shall have his name placed on the appropriate priority list (i.e. *OP priority list* or *SL priority list*) and may be offered appropriate non-bilingual vacancies. The *employee* shall retain his *classification level* and salary until such time as he is offered an equivalent non-bilingual position in his own *office* (i.e. *OP office* or *SL office*), which he must accept. Such *employee* will be restricted from bidding or transferring to bilingual positions.

43.54 **Relief Staffing**

The *Corporation* will provide relief staffing to meet organizational requirements. Further, it is the intention of the *Corporation* to use relief *employees* for relief duties and to fill positions vacated temporarily by reason of known absences for vacation, short term disability leave, projects, training or vacancies during the staffing process, before assigning relief *employees* to other duties. While the supervisory team should be as lean as good management principles permit and the scope of responsibility may have to be increased occasionally for short periods, adequate provision must be made to provide relief staffing for the above noted known absences.

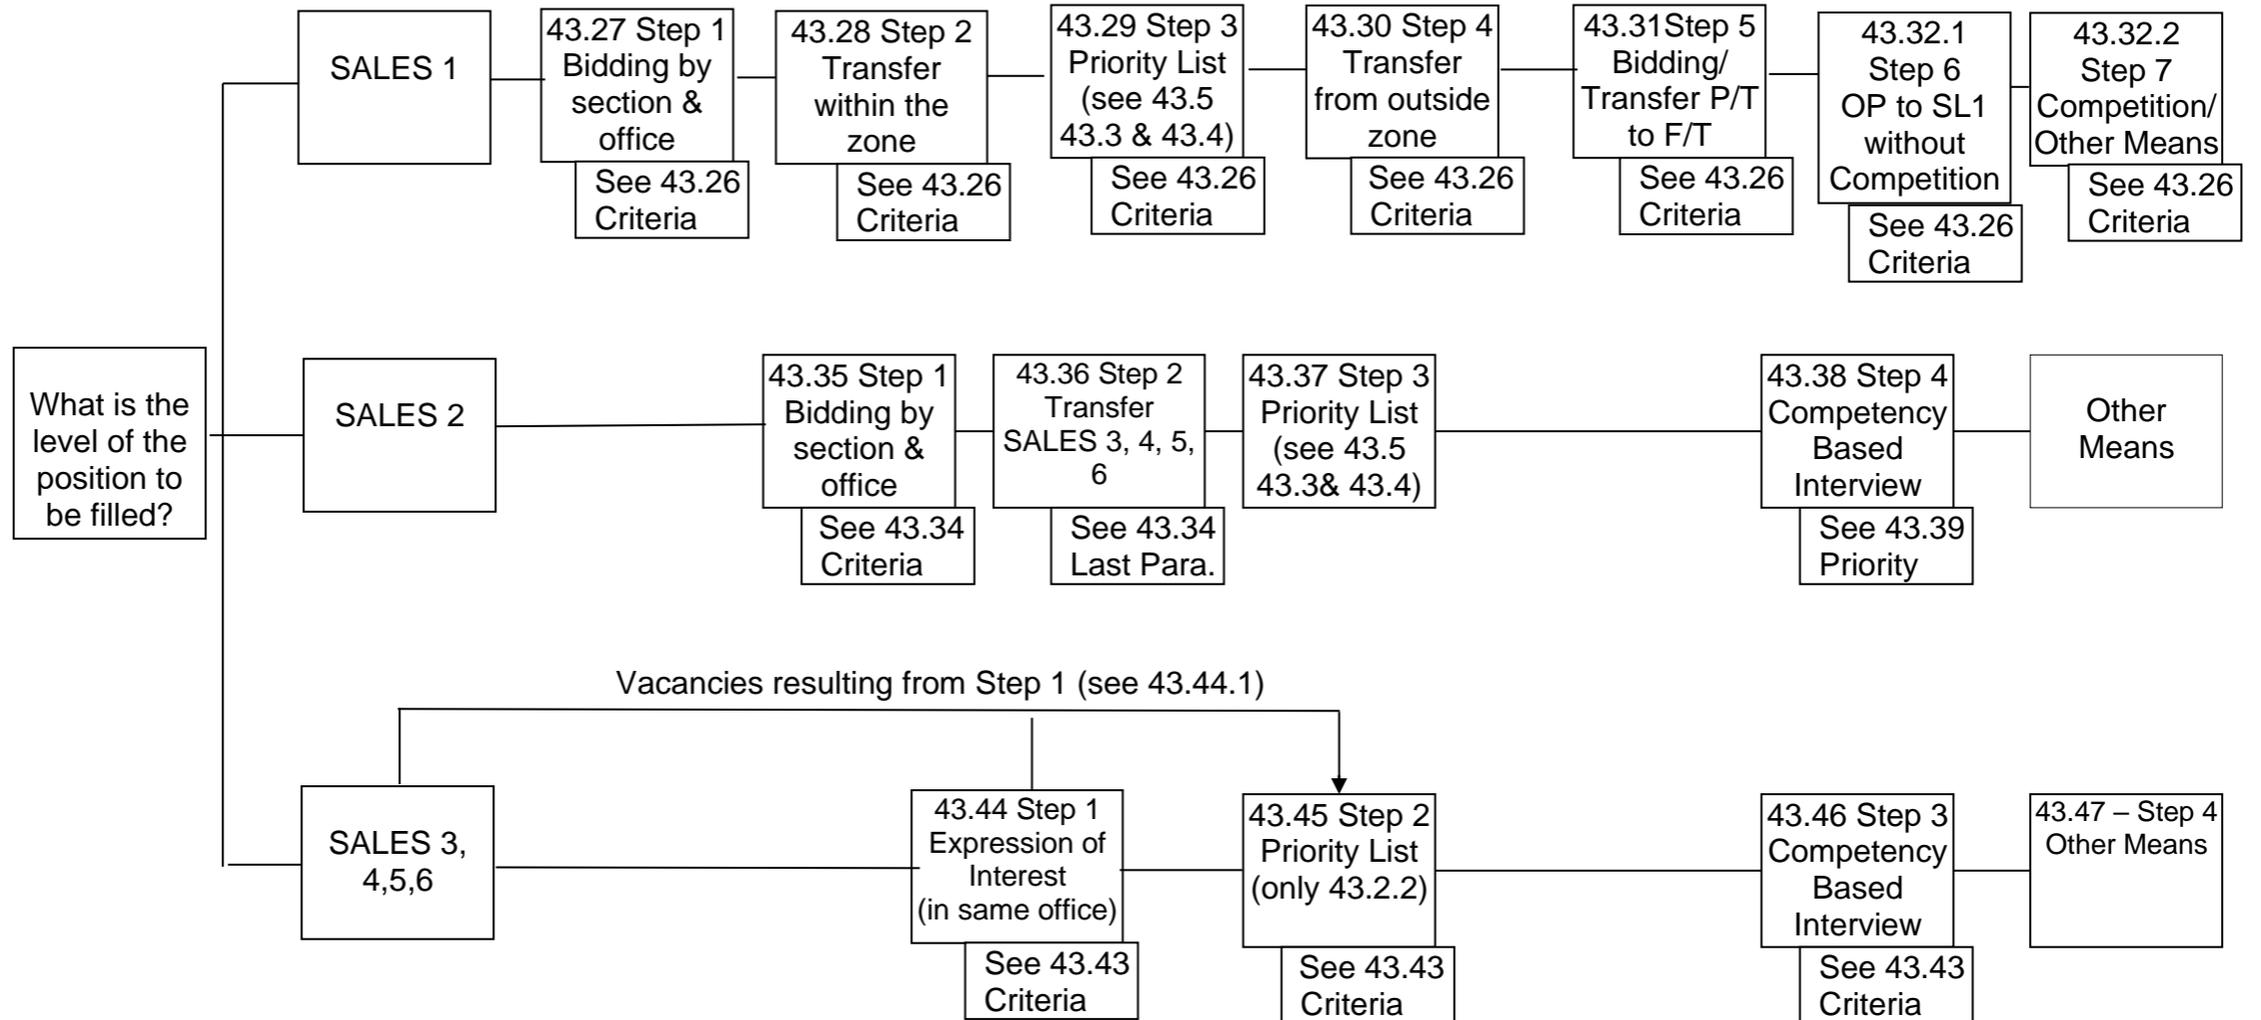

43.55 The team size per supervisor should be established in accordance with good management practices taking into account local circumstances such as number of direct reports, workload, growth rate of the area served and geography.

44.1.2 The provisions of this Article, including the guarantee of no temporary or permanent lay-off, shall also apply to regular *employees* who, enter the *bargaining unit* subsequent to the date of the signing of this Agreement if they were entitled to a job security clause in a collective agreement between the *Corporation* and another bargaining agent on the date that they came into the *bargaining unit* represented by the *Association*.

A copy of the notice shall be forwarded to the *National Office of the Association* and respective *branches* of the *Association*.

44.2 **Recall Rights**

Regular *employees* declared surplus and laid off shall be entitled to the following:

- 44.2.1** A regular *employee* who has more than six (6) months but less than two (2) years of *continuous employment* and who is laid off will have the right to be recalled in *seniority* order for a period equivalent to his length of *seniority* after the date of lay-off, as provided in Article 43.

- 44.2.2** A regular *employee* who has two (2) years but less than fifteen (15) years of *continuous employment* and who is laid off will have the right to be recalled in *seniority* order for a period of two (2) years after the date of lay-off as provided in Article 43.

- 44.2.5** The parties agree that the Corporate Supplementary Unemployment Benefits Plan, as amended from time to time by the *Corporation* and subject to the requirements of Human Resources and Skills Development Canada or its successor, shall form a part of this Agreement and shall be available to eligible *employees* for the term of this Agreement.

- 44.2.6** A regular *employee* who has exhausted all his recall rights under sub-clauses 44.2.1, 44.2.2 and 44.2.3 shall be terminated.

- 44.3** No full-time *employee* will be laid-off as a result of the creation of a part-time position provided he is willing to accept retraining, relocation and reassignment. Furthermore, no full-time *employee* will be required to accept a part-time position.

44.4 **Displacement**

It is understood that in the application of Article 44:

- a) *employees* in OP positions cannot move to vacancies or displace *employees* in SL positions (and vice-versa) unless specifically allowed by this Article;
- b) full-time *employees* can only displace full-time *employees* and part-time *employees* can only displace part-time *employees*; and
- c) an *employee* can only displace another *employee* if the surplus *employee* meets the *minimum requirements* of the position in which he seeks to displace.

44.5 A regular *employee* rendered surplus to requirements in his particular job shall be so notified officially in writing. The *employee's* name will be placed on the appropriate priority list.

44.6 **Declaring an *employee* in an OP position surplus**

Should the *Corporation* determine that it is necessary to declare an *employee(s)* in an OP position surplus to requirements, the surplus *employee(s)* must be the most junior *employee(s)* on the *shift* in the *section* in the affected *classification level*.

44.7 Once a regular *employee* identified in clause 44.6 is rendered surplus to requirements, and if that *employee* has job security pursuant to clause 44.1, then the following prioritized displacement procedure shall take place:

44.7.1 for a surplus *employee* occupying an OP2 or OP3 position:

- a) to an appropriate vacancy on the surplus *employee's shift* in his *office* in his *classification level*;
- b) to an appropriate vacancy in the surplus *employee's office* in his *classification level*; and
- c) if no appropriate vacancy exist above, the surplus *employee* must displace an *employee* in his *office* who is less senior than him at any lower OP *classification level* and who is the most junior *employee* in the *office* in the OP

classification level chosen by the surplus *employee*.

- 44.7.2 An *employee* occupying an OP1 position must displace the most junior *employee* in his *office* regardless of whether the displaced *employee* is at the same or lower OP *classification level* than the surplus *employee*.
 - 44.7.3 for an *employee* occupying an OP2 or OP3, position, once it has been determined by the *Corporation* that no appropriate vacancy exists within the surplus *employee's classification level* in the *zone*, the surplus *employee* must displace the most junior *employee* in his *zone* in any lower OP *classification level*.
 - 44.7.4 An *employee* occupying an OP1 position must displace the most junior *employee* in his *zone* regardless of whether the displaced *employee* is at the same or lower OP *classification level* than the surplus *employee*.
 - 44.7.5 A *regular employee* occupying an OP position may move to a permanently vacant *regular* SL position at the same or lower *classification level* in his *zone*, if the OP *employee* meets the *minimum requirements* of the SL position.
- 44.8 If a surplus still exists upon completion of the displacement procedure provided in Clause 44.7, the following shall apply in the order prescribed:
- 44.8.1 The *Corporation* will advise the junior *employee* referred to in Sub-Clauses 44.7.3 and 44.7.4 of the OP vacancies it intends to fill in that *employee's Division*. That *employee* will have ten (10) *days* from the date on which he is advised of the vacancies to decide which vacancy he will take. If there are no vacancies:
 - 44.8.1.1 an *employee* occupying an OP2 or OP3 position, will displace the most junior *employee* in his *Division*, regardless of the OP *classification level*, as long as this *employee* is at a lower OP *classification level* than the surplus *employee*.
 - 44.8.1.2 an *employee* occupying an OP1 position will displace the most junior *employee* in his *Division* regardless of whether the displaced *employee* is at the same or lower OP *classification level* than the surplus *employee*.

44.8.2 the surplus *employee* in the *Division* will then be advised of the OP vacancies the *Corporation* intends to fill in the *bargaining unit*. That *employee* will have ten (10) *days* from the date on which he is advised of the vacancies to decide whether or not he will take one of the vacancies. Where the surplus *employee* chooses not to accept one of the vacancies, he shall be laid off and be entitled to recall rights in accordance with clause 44.2 and Article 43 and the Corporate Supplementary Unemployment Benefits Plan.

Should no OP vacancy, which the *Corporation* intends to fill, exist in the *bargaining unit*, the surplus *employee* shall not be laid off. The surplus *employee* shall remain on strength and on the *OP priority list*.

44.9 Should a surplus *employee*, or an *employee* laid-off in accordance with this Article, be offered a vacancy or an opportunity to displace at his substantive or lower *classification level*, within his *Division*, and he refuses such opportunity, he shall be struck off strength from the *Corporation* effective the date of his refusal and all his rights under this Agreement and the Corporate Supplementary Unemployment Benefits Plan entitlements will cease as of that date.

44.10 **Declaring an *employee* in an SL position surplus**

Should the *Corporation* determine that it is necessary to declare an *employee(s)* in a SL position surplus to requirements, the surplus *employee(s)* must be the most junior *employee(s)* in the *office*, in the affected *classification level*.

44.11 Once a regular *employee* identified in clause 44.10 is rendered surplus to requirements, and if that *employee* has job security pursuant to clause 44.1, then the following prioritized displacement procedure shall take place:

44.11.1 for a surplus *employee* occupying a SL3, SL 4, SL 5 or SL 6 position:

- a) to an appropriate vacancy in the surplus *employee's office* in his *classification level*; and
- b) if no appropriate vacancy exist above, the surplus *employee* must displace an *employee* in his *office* who is less senior than him at any lower SL *classification level* and who is the most junior *employee* in the *office* in the SL *classification level* chosen by the surplus *employee*.

- 44.11.2 An *employee* occupying a SL 1 or SL 2 position must displace the most junior *employee* in his *office* regardless of whether the displaced *employee* is at the same or lower SL *classification level* than the surplus *employee*.
- 44.11.3 For an *employee* occupying an SL3, SL 4, SL 5 or SL 6, position, once it has been determined by the *Corporation* that no appropriate vacancy exists within the surplus *employee's classification level* in the *zone*, the surplus *employee* must displace the most junior *employee* in his *zone* in any lower SL *classification level*.
- 44.11.4 An *employee* occupying a SL 1 or SL 2 position must displace the most junior *employee* in his *zone* regardless of whether the displaced *employee* is at the same or lower SL *classification level* than the surplus *employee*.
- 44.11.5 A *regular employee* occupying a SL position may move to a permanently vacant regular OP position at the same or lower *classification level* in his *zone*, if the SL *employee* meets the *minimum requirements* of the position.

44.12 If a surplus still exists upon completion of the displacement procedure provided in Clause 44.11, the following shall apply in the order prescribed:

- 44.12.1 The *Corporation* will advise the junior *employee* referred to in Sub-Clauses 44.11.3 and 44.11.4 of the SL vacancies it intends to fill in that *employee's Division*. That *employee* will have ten (10) *days* from the date on which he is advised of the vacancies to decide which vacancy he will take. If there are no vacancies:
 - 44.12.1.1 an *employee* occupying an SL 3, SL 4, SL 5 or SL 6 position, will displace the most junior *employee* in his *Division*, regardless of the SL *classification level*, as long as this *employee* is at a lower SL *classification level* than the surplus *employee*.
 - 44.12.1.2 an *employee* occupying a SL 1, or SL 2 position will displace the most junior *employee* in his *division* regardless of whether the displaced *employee* is at the same or lower SL *classification level* than the surplus *employee*.

44.12.2 the surplus *employee* in the *Division* will then be advised of the SL vacancies the *Corporation* intends to fill in the *bargaining unit*. That *employee* will have ten (10) *days* from the date on which he is advised of the vacancies to decide whether or not he will take one of the vacancies. Where the surplus *employee* chooses not to accept one of the vacancies, he shall be laid off and be entitled to recall rights in accordance with clause 44.2 and Article 43 and the Corporate Supplementary Unemployment Benefits Plan.

Should no SL vacancy, which the *Corporation* intends to fill, exist in the *bargaining unit*, the surplus *employee* shall not be laid off. The surplus *employee* shall remain on strength and on the *SL priority list*.

44.13 Should a surplus *employee*, or an *employee* laid-off in accordance with this Article, be offered a vacancy or an opportunity to displace at his substantive or lower *classification level*, within his *Division*, and he refuses such opportunity, he shall be struck off strength from the *Corporation* effective the date of his refusal and all his rights under this Agreement and the Corporate Supplementary Unemployment Benefits Plan entitlements will cease as of that date.

Mapping out changes

44.14 To facilitate implementation of changes occurring as a result of the application of Clauses 44.7 and 44.8 (or Clauses 44.11 and 44.12 in the case of SL positions) the parties agree that the changes will be mapped out on paper before they are implemented. This process should, when practicable, be completed within two (2) *days*.

44.15 Where the parties deem it necessary, an agreed-upon expedited reassignment, relocation and displacement procedures may be implemented.

44.16 Notwithstanding Clause 43.15 (with the exclusion of Sub-Clauses 43.15.1 and 43.15.2), 43.27 (with the exclusion of 43.27.1 and 43.27.2) or Clause 44.7 or clause 44.8 (or Clauses 44.11 and 44.12 in the case of SL positions) where the number of surplus *employees* is greater than the number of vacant positions to be filled within the *employee's shift, office, zone or Division*, the following will apply:

- 44.16.1** The *Corporation* and the *Association* will consult at the Local level and determine the number of surplus *employees* who by virtue of their *seniority* have the right to displace a junior *employee* in accordance with Clauses 44.7 and 44.8 (or Clauses 44.11 and 44.12 in the case of SL positions). A number of the most junior *employees* equal to the difference between the number of surplus *employees* and the number of vacant positions are then identified. Each surplus *employee* will be given the right to exercise his *seniority*, in order of *seniority*, to displace any of the identified junior *employees* in accordance with Clauses 44.7 and 44.8 (or Clauses 44.11 and 44.12 in the case of SL positions) or fill a vacant position.
- 44.16.2** This procedure shall not have the effect of allowing any additional displacements than would otherwise be allowed if the procedure of Clauses 44.7 and 44.8 (or Clauses 44.11 and 44.12 in the case of SL positions) was followed.
- 44.17** When a surplus or laid off *employee* accepts a relocation opportunity, the expense involved shall be absorbed by the *Corporation* in accordance with its then current policy applicable to the *bargaining unit*.
- 44.18** Should a regular *employee* accept relocation under this Article that is more than thirty (30) miles/forty eight point two seven nine (48.279) kilometers from his present work location, but elects not to relocate his permanent residence while waiting to exercise his option under Clause 44.19 or 44.20, he will be entitled to receive a monthly allowance of one hundred dollars (\$100.00) for up to twelve (12) months from the date of relocation.
- 44.19** A regular *employee* accepting reassignment to a position at a lower *classification level* shall have his name placed on the *OP priority list* (or the *SL priority list* for SL *employees*) in accordance with Sub-Clause 43.4.6 and may be offered vacancies in accordance with Article 43 to return at his own expense within a three (3) year period to a position at his same or former *classification level* in his former location. An *employee* refusing such offer shall have his name removed from the priority list and shall forfeit any further right to be considered for a subsequent vacancy.
- 44.20** A regular *employee* accepting relocation to a position within the same *classification level* shall have his name placed on the *OP priority list* (or the *SL priority list* for SL *employees*) in accordance with Sub-Clause 43.4.6 and may be offered vacancies in accordance with Article 43 to return at his own expense within a three (3) year period to a position in his former location. An *employee* refusing such offer shall have his name removed from the priority list and shall forfeit any further right to be considered for a subsequent vacancy.

- 44.21** A regular *employee* accepting reassignment to a position at a lower *classification level* in his home location shall have his name placed on the *OP priority list* (or the *SL priority list* for *SL employees*) in accordance with Sub-Clause 43.4.6 and may be offered vacancies in accordance with Article 43 to return to a position at his former *classification level*. An *employee* refusing such offer shall have his name removed from the priority list and shall forfeit any further right to be considered for a subsequent vacancy.
- 44.22** A regular *employee* accepting reassignment to a position at the same or lower *classification level* outside his *office* and not covered by Clause 44.20 shall have the criteria set out in Sub-Clause 43.12.4 and 43.12.5 waived on a one-time basis for the purpose of returning to his former *office* or *shift*.
- 44.23** Where an *employee* accepts a vacancy or displaces another *employee* at a lower *classification level* in accordance with this Article, or an *employee's* position is downgraded to a lower *classification level* (in which case, the *employee* must be officially notified), the *employee* shall be deemed to have retained, for all purposes, his existing rate of pay which will be a *holding rate*, until such time as the maximum rate of the lower *classification level* position is equal to, or greater than his *holding rate*. Following this period, the *employee* shall be placed at the lower of the maximum rate of the lower *classification level* position or to his existing rate of pay.
- 44.23.1** *Employees* who have attained the age of sixty (60) at the time of a downgrading of their position shall have their pay continue as though their position had not been downgraded.
- 44.23.2** *Employees* who, at the time of the signing of this Agreement, were in receipt of entitlements provided under Clause 39.21 of the collective agreement expiring March 31, 2001, shall continue to receive such entitlements in accordance with the provisions of said Clause.
- 44.23.3** *Employees* who are offered and decline a position at their *classification level*, without good and sufficient reason, shall lose all benefits of Clause 44.23 and shall be placed at the maximum rate of the lower *classification level* position.
- 44.24** Vacancies filled in the application of this Article shall be filled in accordance with the provisions of Article 43.

44.25 **Departure Payment**

At the *Corporation's* discretion, a voluntary "departure payment" may be offered to any *employee*. The *Corporation* shall inform the *employee* of his right to assistance from an *Association representative*.

PART XI – TERM AND TEMPORARY EMPLOYEES

ARTICLE 45

- 45.1** If conditions require the appointment of term *employees*, due to operational requirements, the *Association* will be notified and given an opportunity to consult. When a term *employee* is hired, notice of such hiring will be sent to the designated *Association representative*.
- 45.2** The *Corporation* agrees not to artificially create a break in service in order to prevent a term *employee* completing more than six (6) months of *continuous employment*.
- 45.3** If prior to completion of not more than six (6) months *continuous employment*, a term *employee* is found, in the opinion of the *Corporation*, to be unsatisfactory for continued employment, he may be terminated forthwith. Such termination shall not be subject to further review via the *grievance* procedure.

 - (c) Any illness or injury related to substance abuse, unless the *employee* agrees to receive ongoing, active professional treatment deemed appropriate for the condition being treated.

ARTICLE III – SHORT TERM DISABILITY BENEFITS

1. An *employee* can receive short term disability benefits for up to a maximum of thirty (30) weeks after the date of the commencement of the illness or injury.
2. Eligibility for short term disability benefits will be determined by the Disability Management Provider. In order to be eligible for short term disability benefits, an *employee* must be under the care of a physician, and follow the treatment prescribed by that physician as deemed appropriate for the illness or injury by the Disability Management Provider. The *employee* is responsible for providing all medical information to the Disability Management Provider.

If, or once an *employee's* Personal Days have been exhausted, and so long as the *employee* is ultimately approved by the Disability Management Provider for short term disability benefits, the *employee* may, during the qualifying period use his available top-up credits, if any, to ensure he does not suffer any loss of pay.
6. *Employees* who are approved for short-term disability benefits, shall receive the following benefits:
 - a. During the first fifteen (15) weeks of their illness or injury (excluding the seven (7) calendar day waiting period, if applicable), 70% of their salary. As well, *employees* can use their top-up credits to top-up short-term disability benefits to 100% of their salary.

As well, *employees* can use their top-up credits to top-up the short-term disability benefits to 95% of their salary.

7. To top-up their short-term disability benefits, an *employee's* top-up credits will be used at the rate of one (1) hour of top-up credits for every one (1) hour required to top-up short term disability benefits from 70% of the *employee's* salary to 100% or 95%, as the case may be.
8. Should the disability continue for a period exceeding fifteen (15) weeks, the *employee* shall apply for Employment Insurance benefits. If the *employee* is approved, he will receive benefits as per Part I of the Employment Insurance Act (as of the date of signing, 55% of an *employee's* salary, to a maximum of \$447.00 per week). - c. The date on which the *employee* fails to furnish satisfactory proof of continued disability to the Disability Management provider;
- d. The date on which the *employee* refuses to participate in a disability management program or to take up rehabilitative employment considered appropriate by the Disability Management Provider.

14. All monies payable under the Short Term Disability Program shall be payable in Canadian dollars.

ARTICLE IV – RECURRENCE

1. 2. After an *employee* has returned to work following a short term disability leave for longer than thirty (30) calendar days, any subsequent absence is considered a new period of illness or injury. If the *employee* has not returned to work on a full-time basis, and the illness or injury is medically supported, the *employee* shall receive a continuation of his short term disability benefits, with no qualifying period, for the remaining duration of the thirty (30) week period.

ARTICLE V – APPEAL PROCESS

1. An appeal is a written request from an *employee* to revisit the decision on his file. The appeal process is designed to provide an objective review of the decision made and provide the *employee* with the opportunity to provide additional medical information.

If an *employee* avails himself of his right to appeal, he will be entitled to short term disability benefits during the time it takes to come to a determination regarding the first level appeal. If the first level appeal is denied, the *Corporation* shall recover any overpayment from the *employee's* pay, but such recovery shall not exceed ten percent (10%) of the *employee's* pay in each pay period, until the entire amount is recovered.

Notwithstanding the foregoing, in the event that employment ceases, any overpayment still outstanding may be recovered in full from the *employee's* final pay.

2. First Level Appeal

The *employee* must submit a written intent to appeal to the Disability Management Provider within seven (7) calendar days of the original decision having been communicated to the *employee* in writing.

The *employee* must provide the Disability Management Provider's Case Manager with any additional medical information that the *employee* wishes to submit or that has been requested by the Case Manager within thirty (30) calendar days from the notice to appeal.

The Case Manager will review the additional medical information with the Disability Management Provider's Medical Consultant to clarify the diagnosis, prognosis and treatment plan.

The Case Manager will review the *employee's* list of barriers and medical information with the Disability Management Provider's Claims Specialist.

The Disability Management Provider's Claims Specialist will provide a written decision with detailed reasons and recommendations to the *employee* and, if authorized by the *employee*, a copy to the representative of the *Association*.

3. Final Appeal

Once an *employee* has been advised in writing that their first level appeal has been denied, the *Association representative* on behalf of the *employee* has ten (10) working days to advise the Case Manager, in writing, of the intent to appeal. An independent occupational health specialist shall review the claim, including any further information provided. The claim documents will include a release that the *employee* may sign to authorize a representative of the *Association* to represent the *employee's* interests during this final appeal.

The independent occupational health specialist shall be provided with each parties' submissions in the form of written briefs and documents in an expedient manner. The parties will provide submissions within 30 days of selecting an independent occupational health specialist. Failure to provide a submission will not delay the decision made by the independent occupational health specialist unless mutually agreed to by both parties. The independent occupational health specialist shall render their decision based solely on the information provided by the parties. The specialist shall not undertake an independent fact finding investigation.

If the parties are unable to agree on an independent occupational health specialist within fifteen (15) working days from the notice to appeal, either party can make a request to the Minister of Labour for the appointment of an

independent occupational health specialist to make a final review and determination.

The decision of the independent occupational health specialist shall be final and binding upon both parties, without creating a precedent, and shall not be subject to the *grievance* procedure under the Collective Agreement.

The fees and expenses of the independent occupational health specialist, including the costs of the fact finding meeting, if any, shall be shared equally between the parties.

RE: Relief Staffing

Dear Mr. Dubois,

During the recently completed round of negotiations with the Association of Postal Officials of Canada (APOC), one of the issues discussed at length was the subject of relief staffing for absences for our front line supervisors and superintendents.

The provision of adequate relief is critical to improving the Employee Satisfaction of our supervisors and superintendents. Coverage of the front line management responsibilities during periods of known absence will also ensure ongoing and uninterrupted productivity and efficiency in our operations.

Our commitment as reflected in Clause 43.54, is to ensure that we provide adequate relief based upon actual local requirements for periods of known absence for:

- Annual leave;
- Short Term Disability Program leave;
- Positions vacant due to incumbents being on projects;
- Positions vacant due to incumbents being on extended training; and
- Positions vacant and in the staffing process.

Relief will be provided through the use of regular relief staff, temporary or term assignments, as appropriate.

To ensure that we are meeting our commitment on an ongoing basis, a number of actions are required:

- 1) Within 45 days of the signing of this collective agreement, *consultations* are to be held with the *Divisional Vice President* of the *Association*, to review the application of adequate relief staffing;
- 2) The application of adequate relief staffing will become a regular agenda item at Regional/Divisional *consultations*; and

- 172 -

- 3) The application of adequate relief staffing will become a regular agenda item at my quarterly meetings with the APOC executive.

It is expected that we will ensure that we meet our commitment.
